At Pickett Camp last night the follow-

ng report was submitted: The committee of this Camp, to whom

the Bluebirds only scored one hit and one run to correspond with it, while the home team secured nine hits and three runs. Notwithstanding the Bichmond team barely escaped a shut-out, they did not fail to do some great individual work. Turkey Groves made a phenomenal one-hand catch of a long line fly-ball, from the bat of McIntyre, our heaviest batter. Then Wells, of the "exquisite reach," did the double-contortion act for a hot liner. Though he landed on his head, he retained the sphere firmly within the grasp of one hand, and the batter was declared out, amidst the deafening cheers of the grand-stand.

That the visitors were unable to score is due simply to the fact that our man Orth caused the trouble. He could not be found, and he slaushtered the Bluebirds in a manner that was scandalous and shocking. He struck out ten of the boys, and only three birds succeeded in flying beyond the diamond limits during the entire game. Score:

LYNCHBURG. The committee of this Camp, to whom was referred the matter of erecting a monument to the memory of General J. E. B. Stuart, in accordance with the resolutions adopted by the City Council of Richmond, on the 14th day of May, 1884, beg leave to report that the movement has been promptly responded to by our present Council, in setting apart \$10,00 for the purchase of the triangular lot at the intersection of Brook avenue and Broad street. Lee Camp and the Sons of Veterans very cordially seconded the effort, and last week the Veteran Cavalry Association met and recommended that the Council rescind its action in reference to the purchase of said lot, and the Council rescind its action in reference to the purchase of said lot, and that the \$19.79 be placed "to an account for the construction of the monument upon such a site in some street or park, as might be hereafter decided upon," in which recommendation they ask the loncurrence of this Camp. We recommend the adoption of the following:

He Attempts an Assault Upon a Three-Year-Old White Child.

Henry Croxton, a negro boy about fif-teen years old, attempted to commit a criminal assault upon a little white girl, some three years old, last Saturday morn-ing about 10 o'clock. The child is the daughter of Mr. R. H. Hawks, who re-sides at No. 723 Bowe street. Mr. Hawks was summoned to his home soon after the attempted acsault was known, and was told that his child was sick. Upon reaching home he was informed of the affair, and he immediately went in search of the brute, but falled to find him.

Died From His Injuries,

Isaac, the three-year-old son of Mr.
Isaac Thalhimer, of Thalhimer Bros.,
who was burred Saturday, died Sunday
at 2.30 P. M. When he caught fire he was
alone in the nursery, and must have been
playing with matches, as the nurse heard
him cry, and running in the room found
him on a hobby-horse, and his clothing
burning. She had the presence of mind
to hold his head downward and extinguish the flames. Death resulted from the
shock, rather than the burns. The child
had just recovered from an attack of
preumonia. While his arm and face were
slightly scorched, his injuries did not appear serious.

pear serious. Isaac was a bright little boy great pet of all members of the family.

Mr. and Mrs. Thalhimer have the sincere sympathy of all their friends in their sad affliction.

The funeral took place yesterday afterneon at 5 o'clock from Mr. Thalhimer's

afternoon. The teams which crossed bats were the Petersburgs and Portsmouths. Only three linnings, however, were played, as the game had to be called on account as the game in of rain.

The score then stood five to two in favor of the home team. There was a good deal of kicking and wrangling, especially on the part of the visiting club. Five hundred people were present. residence, No. 1007 west Grace street

Commencement Exercises at the Association
The commencement exercises of the educational department of the Young Men's Christian Association will be held in the big hall this evening. The Blues' Band will occupy seats in the gallery and discourse some attrictive music, while the Mendelssofm Mandolin Club will do likewise from the platform. Mr. Oscar E. Howard will sing a solo. The address of the evening will be made by Rev. E. N. Calisch, rabbi of the Synagogue Beth Ahaba.
The subject of Dr. Calisch's address will be, "The value of a practical education." At the close of the address awards of merit will be given to eighty-four pupils for passing satisfactory examinations, and for prompt attendance throughout the session. Two young men will graduate from the book-keeping class, two from the typewritng, and three from the phonography class. The game of ball scheduled for yester-day between Richmond College and Lee University having been prevented on account of rain, those strong teams will cross bats at West-End Fark this after-noon at 4:15 o'clock. The Washington and Lee team is one of the strongest amateur teams in the State, having lost but one game this season. Their pitcher, Fratt, is quite a phenomenen, kaving struck out thirteen men in the first game with the Virginia Military Institute; twelve men in the game with Rugers, and eighteen men in the secong game with V. M. I.

The Richmond College Spiders have always put up a fine article of ball, and their team is stronger this season than ever before. It will be remembered that they defeated the Richmond League team three straight games last season, They have a clean record so far this season. Baby Phillips, always a delight to the rooters, will play third to-day. "Puss" Ellyson, the puzzler, will be in the box. The game will be played for the championship of the South, and one of the best games of the season may be expected. The line-up of the two teams will be as follows:
